## **Activity Professional Academy.**

Our Activity Professional Academy is a flexible education and training programme, which helps you to become work-ready in sports delivery. Unlock your full potential through training and work experience to kickstart your career.

## **Attainable accredited sector-based qualification:**

Level 2 Award for Holiday Club Activity Coaches in Multi-Sports.

Traineeships are ideal if you want to move into a job or apprenticeship but do not currently have the skills and experience that employers are looking for.

## **Traineeships are a 12-13 week programme made up of these elements:**

**Work preparation training and  
accredited sector-based qualification**

**English and Maths support**

**A work experience placement with Premier Education Group, who are the  
UK's largest provider of sport and physical activity to Primary Schools.**

If you have been unsuccessful in applying for an apprenticeship or job role, you may find a traineeship helps give you the skills and confidence necessary to move on.

## **To be eligible to start a government funded traineeship, you must;**

- ✓ Be aged 16-18 and be a UK or EEA Citizen or have a settled status with no restrictions
- ✓ Unemployed or working less than 16 hours
- ✓ Have little previous work experience
- ✗ Not hold a qualification above level 2
- ✗ Not have undertaken a similar programme before

Following successful completion, there will be a guaranteed interview and job opportunities within the work placement.

**If you are 16-18 and think that a traineeship could be the right route for you, please get in touch to discuss the current courses available:**
